8. Testimonial.

I did the 3 hour "Setting up in private Practice - Compliance" course and it was excellent. I'll be honest I was thinking 3 hours on compliance, I will be asleep, but Sandra and Sarah managed to make it informative and enjoyable. I also thought I might come away scared and have a meltdown over what is required. But the calm manner of Sandra and Sarah had me feeling focused on taking a logical approach to improving the behind-the-scenes aspects of my clinic. I therefore strongly recommend any clinic owner, no matter how large or small the clinic or how long you've been in business, to do the course and checkout the HCPG website. (CC)
